Re: Request for letter of recommendation for

Dear Colleague,

The student indicated above has applied for a PhD position at the Institute for Research in Biomedicine in Barcelona and has been asked to forward this letter to you requesting a letter of recommendation. We would be grateful if you could give us your opinion about the suitability of the candidate as a PhD student. Please evaluate the applicant according to the following criteria: theoretical knowledge, technical proficiency, interaction with colleagues, adaptability and flexibility, motivation and commitment, ability to work independently and communication skills. Please include an overall rating, from 1 (lowest) to 10 (highest) of all the students you have encountered, and indicate the time period in which you interacted with the student and in which capacity (as a teacher, advisor, employer, etc.).

Your letter of reference should be sent by clicking directly into an automatic email you may have received or via fax or mail before June 2, 2011, to the address indicated below.

Thank you in advance for your help.

Yours sincerely,

Patricia Nadal Jordà
